St. Paul Travelers provides property and liability insurance for local governments throughout the United States. Products include a menu of customized specialty offerings and solutions designed to address the specific coverage needs of public entities.

Package and professional liability products are available for municipalities, counties, water and sewer districts, other selected special purpose districts and American Indian nations. In addition, St. Paul Travelers offers monoline property coverage for larger units of government as well as large school districts and intergovernmental pools.

The team at St. Paul Travelers takes the time to understand issues affecting local government. They analyze current risks, anticipate those customers may face in the future and create flexible solutions to manage both.

Expect cutting-edge products and services from St. Paul Travelers

St. Paul Travelers strives to do its part in controlling government's insurance costs by offering the following services to its clients:

Underwriting Services. St. Paul Travelers underwriters stay abreast of public affairs, as well as evolving legal and

social issues. They develop balanced solutions to meet each customer's unique situation and will work with an agent or broker to customize the most effective plan for each client.

Risk Control Services. St. Paul Travelers risk control consultants work exclusively with public entity clients. These risk control professionals are dedicated to understanding a customer's unique operations, risks and issues. The value-added risk management programs, seminars and personalized service plans offered by St. Paul Travelers help prevent losses and reduce overall costs for public entities.

Claim Services. When it comes to claim handling, one size doesn't fit all. St. Paul Travelers has claim professionals dedicated to handling claims for public entities. They understand state-specific issues and have extensive knowledge of the immunities and special defenses afforded to public entities. In addition, St. Paul Travelers retains defense counsel who specialize in representing public entities and understand the complexity of public entity legislation.
